Du. Blenson:—I take the liberty and fell it to Le my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medical. My son, aged 15 years, had been under medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery, I concluded to try your Alterative, two botths of which, I believe, anything support him. entirely cured him. MICAJAH CAYCE. HUNYSVILLE, Oct. 17, 1852. Dr. Blenson — Some time has elapsed since I give a cer tificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been

subject to the worst kind of spells of cramp in the stomach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many differen medicines, with momentary relief. Being perseaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the tiver and dyspopsia.

N. B. ROBERTSON.

DR. BERDSON—Having seen the publication of your Alter ative Compound, I think it my duty to say to the public, that I had been for years subject to spells of Cramp Colie, in its worst form; that I had tried almost every thing that is given by physicians, and nover found any thing that would certainly relieve me, until I tried the above medialne, which nas relieved me in every attack in less than an hour.

WM. B. LLOYD,

OH. BLEISOZ:—I feel that I should fall short of my duty to you and to those who are allieted, were I not to further recommend your Alterative Compound. It has entirely rereconfinent your Alteraire Compound. It has entirely re-lieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyapopsia again I shall be sure to sall on your Lam your respectfully some found. call on you. I am very respectfully your friend. ELIZABETH J. HARWOOD.

HUNTSVILLE, Ala., March 3, 1852. Dn. Baneson—Sin: Judging from the certificates you have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I amst say, that for years I suffered a Dyspepsia and enlargement of the sple and thought that I never would recover. I commenced tak-ing your compound about nine weeks since, and have gained 25 or 30 pounds, and feel about as well as I ever did. HENRY J. GOFF. HENRY J. GOFF.
